| Sagar Public School, Saket Nagar - [CBSE] <i>Higher Secondary Education Class 10 (94.4%)</i> | Bhopal, MP <i>April 2019 – April 2020</i> |

PROJECTS

ATM Interface (Console-Based) — Java

- Developed a console-based ATM simulation with functionalities like withdrawing money, checking balance, and depositing cash using Core Java.
- Implemented a user-friendly interface with secure PIN authentication and exception handling for a smooth transaction experience.

Number Guessing Game — Java

- Developed an interactive Number Guessing Game in Java, where the user attempts to guess a randomly generated number within a given range.
- Implemented features like attempt tracking, hints (higher/lower), and input validation to enhance user experience and ensure smooth gameplay.
